

Summer Walkabout!

Take a walk around your neighborhood. How many can spot on your walk?

	A stop sign		An airplane flying above your head
Someone riding a bicycle		A mailbox with the flag up	
	A garbage can		A fence in a yard.
A cloud in the sky		A For Sale sign in front of a house	
	A dog		A basketball hoop
A cat		A white garage door	
	A delivery truck		A butterfly
A maple tree		A swing set	
	A bird flying		A red car

How many did you find?
